JuneteenthKC is a not-for-profit organization established to celebrate the liberation of African Americans from slavery in the United States since 1863 in addition to hosting community events that positively promote African American achievements and advancement year round. "Juneteenth" which is celebrated throughout the United States commemorates the signing of the Emancipation Proclamation by President Abraham Lincoln and promotes the American ideals of cultural diversity and a healthy pluralistic society.

This year's activities will feature FREE community performances, community service awards, musical entertainment, family friendly activities, and adult workshops in addition to connecting attendees to the plethora of supportive service resources available throughout the Greater Kansas City area. The JuneteenthKC planning committee is extremely excited to share that 2019's celebratory agenda will also feature a diverse array of performances that will evoke cultural traditions and a sense of unity that was once prevalent within the 18th & Vine Jazz District.

The 2019 JuneteenthKC Festival Committee, JuneteenthKC Parade Committee and event partners greatly appreciate your support of our city-wide celebration by contributing monetarily, providing branded products listed on our attached "Celebration Wish List" and actively participating in our Cultural Parade (June 1st) & Festival Celebration (June 15th).

This unique opportunity provides your business/organization with MULTIPLE days of brand visibility opportunities to reach more than 100,000 residents and tourists visiting the Greater Kansas City area. In exchange for your sponsorship, your entity will be included in our official marketing materials, on our website and recognized during event activities.

Our fundraising goal is \$50,000.00 to successfully execute this year's program. Please see the attached documents for the various sponsorship levels available to support our program events.
